OFFICE OF LOGISTICS
PROCUREMENT NOTE NO. 54

6 APR 1972

Summary of Agency Procurement Authority,
Organization, and Procedures

1. The attached Summary of Agency Procurement Authority, Organization, and Procedures is forwarded to each Contracting Officer with the request that it be duplicated and distributed to each member of the team or procurement element under his supervision. This revised summary has just been provided to the Executive Director-Comptroller for inclusion in his Congressional briefing book.
2. This document reemphasizes the law and regulations under which procurement is accomplished in the Agency under delegated contracting authority from the Director of Logistics. Please insure that all procurement personnel familiarize themselves with the contents of this summary.
